You're looking. We're listening.

When you describe  
*the perfect hire,*  
we're all ears.

**Tired of recruiters sending you candidates that don't match your requirements?**

At Continental Search, we listen carefully to your needs and work diligently to find you the right match.

**Our proven system allows us to work efficiently and successfully and includes:**

- Aggressive recruitment directly from your strongest competitors
- An exclusive database of thousands of subscribers to *Animal Science Monitor*
- An extensive network of animal science professors and industry leaders
- Job postings on our well-known and heavilytrafficked Web site, [animalsciencejobs.com](http://animalsciencejobs.com)

So next time you're searching for that perfect hire, call Dan Simmons at 888-276-6789 or visit us online at [www.consearch.com](http://www.consearch.com) and turn to the team that's tuned into your needs.
